HAKKIMDA

Hello! I'm Kardelen Kaya, a Full Stack Developer. I embarked on a journey in the software world, honing my full-stack development skills through various projects. I have the ability to create innovative solutions for each project. I value teamwork and continuously strengthen my problem-solving skills.

With a focus on continuous learning and development, I expand my knowledge base through specific certifications and training. You can find more details on my LinkedIn profile, and feel free to get in touch with me.

Thank you!
